Lunch program

Just a few things to clarify

1. Grace Christian School must call West Hills with our **lunch order by 9:00 a.m. daily.** Therefore if your child(ren) is not here in the morning, a lunch will not be ordered for them. If your child has an appointment in the morning but he/she will be here at lunch and would like to buy lunch that day, please let the office know and we will order. Grace Christian School must pay for all lunches ordered.
2. For those that qualify for a free or reduced lunch, **if your child is not here to receive his lunch or refuse his/her lunch, we are charged full price for that lunch and will have to pass that on to you.** Lunches will not be ordered for students that are absent unless prior notification has been made with the office.
3. We are still waiting for Armstrong to process free and reduce lunch applications. You will receive a letter once the application has been processed.
4. The free and reduce lunch application can be submitted throughout the year. If your household income would change you may request an application from the office.
